

## Covid Safety Precautions

We cannot wait to celebrate the return to cinema this weekend with you and your family. Please note some protocols below that we'll be observing throughout the event. To ensure everyone's safety, we'd greatly appreciate if you could be mindful of these guidelines!

## Events in Meeting House Square, Temple Bar:

*[Ainbo opening event (Friday), Mexican Dance performance (Sunday)]*

**Remember the Irish weather!** Make sure you have suitable clothing for all weather including sunscreen and plenty of water to keep hydrated.

**Exclusive access.** Meeting House Square will only be accessible to those attending IFI Family Festival. Arrive through the IFI main entrance on Eustace Street, where you'll be asked to show your ticket and directed to the square by event staff.

**Spread out.** There will be plenty of space so remember to make the most of it and spread out in the square. Adults are required to stay in the vicinity of the event at all times.

**Art Supplies.** Art materials will be labelled so that you take sanitised material from one bucket and return used materials to another.

**Stay with your pod.** Meeting House Square will be marked out, and if one activity is too busy, please move to another location and return later.

## In the IFI building:

**Stay in your Seats.** Cinema seating is allocated to ensure distance between pods.

**Mask up!** Adults will be required to wear face masks when inside the IFI Building, entering the cinema and when using bathrooms. You may remove your mask when you are seated.

**Clean Hands.** Hand sanitiser stations are located throughout the building. We ask that you to sanitise your hands on arrival and throughout your visit.

**Bring your own colours.** Colouring in sheets, film info will be available for families to take home or to complete in café bar. Where possible please bring your own colouring in pencils or crayons.

For further information COVID-19 safety at the IFI please visit: <https://ifi.ie/covid19-safety/>
