You can browse and view the films in our programme with or without a valid pass, by clicking 'Browse Films' on [www.ifischools.ie](http://www.ifischools.ie).

### WHAT'S AVAILABLE?

- Our films are programmed according to level (Primary, Junior Cycle, TY, Senior Cycle) and by subject in some instances.

With an Individual Teacher Pass you have 10 unlocks for films of your choice from the relevant collections.

Most titles are available for the school year unless otherwise indicated.

Titles will be added throughout the school year, so keep checking back to see what's available and for how long, as this may vary.

By clicking into a film you can view relevant information such as runtime, subject/ curricular links, age classifications and recommendations.
