HOW TO ACCEPT A

TEACHER PASS TRANSFER

To get access to all films on IFI@Schools you need an individual Teacher Pass.

Once your school has purchased a School Pass, the person managing the school account will transfer 1 of 10 passes to you by email.

This pass allows you unlock 10 films. To accept the pass transfer, here's what to do:

STEP 1

You will receive an email asking you to accept a 'pass transfer'.

STEP 2

When you click on the link in this email, you will be asked to create your individual IFI@Schools account with your own email address and password.

STEP 3

Your Teacher Pass allows for 10 'unlocks' in total. These can be used on different titles or on the same title at different points in the school year.

STEP 4

Once you unlock a film, you have 10 days to start playing and 10 days to complete viewing. You can rewatch during this 10-day period.

If you wish to access Modern Foreign Language (MFL) or Transition Year (TY) films only, you need to purchase an MFL/TY Bundle separately.
