## HOW TO UNLOCK & WATCH

### ON IFI@SCHOOLS

To watch a film, visit [www.ifischools.ie](http://www.ifischools.ie). Sign in to your account, and click 'Browse Films'. When you find your chosen film you have up to 10 days to Unlock and Play

#### UNLOCKS

Each individual Teacher Pass allows for 10 'unlocks' in total. These can be used on different titles or on the same title at different points in the school year

An MFL Bundle allows for 2 unlocks;  
A TY Bundle allows for 5 unlocks

Once you unlock a film, you have 10 days to watch the film in its entirety. If you pause, the film will resume from where you left off the next time you access it.

You can view the film multiple times within this 10-day window. If the 10-day window expires, you can unlock the film again for another 10 days. This will use a new unlock.

**Note:**  
Trailers can be watched as much as you like!

#### IMPORTANT

- Where subtitles or captions for audiences who are deaf/hard of hearing are available they will be provided. These will appear automatically on some titles, for others you can click the 'CC' button next to the volume bar to toggle them on and off.
- Films are designed to be viewed in classrooms, where we presume a viewing audience of approximately 30 students. IFi@Schools is not designed for screenings to larger audiences.
