WELCOME TO OUR SCHOOLS PROGRAMME FOR THE 2025-2026 SCHOOL YEAR!

As we start another school year, you'll find within these pages the familiar highlights of the IFI Schools programme, such as new films to support Modern Foreign Languages (MFL) plus our collaboration with Think Languages Week, and recent Irish films and films for Primary school. We welcome the introduction of two new Leaving Certificate subjects - Drama, Film and Theatre Studies and Climate Action and Sustainable Development - and have included films to support both.

A further addition to the programme is our TY Film

Studies strand, offering you and your students the opportunity to experience some must-see films in the cinema, followed by 20-minute taster talk, giving students a foundation in some great cinematic work. There is a discounted ticket bundle for 3 films, see pages 8 and 9.
